Whatsapp Messenger: LinkedIn | **Address:** Südtiroler Platz 3, 43, 5020, Salzburg, Austria (Home)

● ABOUT ME

Versatile Research Analyst & Applied Geoinformatics expert combining specialized training in spatial statistics and GIS workflows with clinical research, environmental science research and healthcare administration experience. Highly adept at dataset management, literature reviews, and spatial analysis. Seeking to leverage data science and geoinformatics skills in an impactful research or analytical setting

● WORK EXPERIENCE

RESEARCH ASSISTANCE – PROF. F.D. ASUDO (DEPARTMENT OF ANAESTHESIA, UNIVERSITY OF ABUJA – 1 Sep 2021 – Current – ABUJA, NIGERIA

Detail oriented Research Assistant experience supporting clinical and spatial/statistical research under a Professor of Anesthesiology. Skilled in quantitative and qualitative data analysis, statistical modeling, and systematic literature reviews across biomedical databases. Proven track record in managing datasets, preparing manuscript drafts, and navigating IRB ethics compliance for academic research projects.

ADMINISTRATIVE ASSISTANT – PAIN AND PALLIATIVE INITIATIVE, UNIVERSITY OF ABUJA TEACHING HOSPITAL – 9 Jan 2022 – Current – ABUJA, NIGERIA

- Managed daily departmental administration for the Pain and Palliative Care Unit, delivering seamless administrative support to a multidisciplinary team of doctors, nurses, and clinical specialists.
- Drafted official unit correspondence, administrative reports, and meeting minutes for unit head reviews and hospital management updates.
- Facilitated cross-departmental communication between the Palliative Care Unit, central hospital administrative offices, and external clinical partners.
- Maintained and organized physical and electronic medical record systems, ensuring accurate documentation, swift file retrieval, and strict adherence to patient privacy and confidentiality standards.

● EDUCATION AND TRAINING

1 APR 2017 – 15 JAN 2019 Abuja

MASTER OF SCIENCE IN GEOGRAPHY (ENVIRONMENTAL RESOURCES PLANNING) University of Abuja

15 MAR 2010 – 15 JAN 2015 Abuja

BACHELOR OF SCIENCE IN GEOGRAPHY AND ENVIRONMENTAL MANAGEMENT , UNIVERSITY OF ABUJA , ABUJA-NIGERIA University of Abuja

1 OCT 2023 – CURRENT Abuja

MASTER IN APPLIED GEOINFORMATICS Paris Lodron University

- **Spatial Data Analysis & Modeling:** Advanced spatial statistics, multivariate data analysis, geostatistical modeling, and spatial pattern recognition.
- **Geographic Information Systems (GIS):** Vector/raster data integration, complex spatial queries, workflow automation, and spatial decision support systems using QGIS and ArcGIS Pro.
- **Remote Sensing & Image Processing:** Earth observation data processing, satellite imagery analysis, image classification, land cover mapping, and spectral indices evaluation.
- **Spatial Data Management & Databases:** Design, querying, and management of spatial databases (PostGIS / PostgreSQL), data standards, and spatial data infrastructure (SDI).

- **Python for Geoinformatics:** Geospatial Scripting, automated spatial data processing pipelines, and data analysis using Python libraries (GeoPandas, Rasterio, Shapely, NumPy, Pandas).
- **Web Mapping & Geovisualization:** Interactive cartography, web GIS development, spatial data visualization, and thematic map design.
- **Application Domains:** Environmental risk and hazard assessment, urban and regional planning, spatial accessibility modeling, and spatial analytics in public health/vulnerability mapping.
- **Project Management & Research Methodology:** Design and execution of applied GIS research projects, scientific report writing, literature syntheses, and interdisciplinary team collaboration.

● LANGUAGE SKILLS

Mother tongue(s): **ENGLISH**

● SKILLS

R package | perform project management | organise business documents | English | company policies | analyse environmental data | study topics | use office systems | write research proposals | write work-related reports | write scientific publications | think abstractly
